Clinically Proven to Provide Predictable Relief<sup>4</sup>

According to leading gastroenterologist, Dr. Satish Rao, MD, some patients with constipation need to “**restore the natural biorhythm** of their gut. That is how Vibrant likely restores bowel rhythm.”

Rely on Regularity

Effectively relieve constipation without:

- ✗ Unpredictable, untimely diarrhea
- ✗ Frequent straining and discomfort
- ✗ Away-from-home worries

Vibrant is approved for the treatment of chronic idiopathic constipation in adults who have not experienced relief of their bowel symptoms by using laxative therapies at the recommended dosage for at least one month.

Have Constipation Symptoms That Won't Quit?

Fight back with powerful drug-free treatment.

Please see the Instructions For Use (IFU) for full product and safety information.

VIBRANT GASTRO

## Take Control

Get the *predictable* relief you need from chronic idiopathic constipation (CIC)—*without medication*.

60% of patients using branded prescription medications are dissatisfied.<sup>1</sup> Most find treatment ineffective, with unpleasant side effects. Life is unpredictable enough. You need to rely on regularity.

## Get in Sync

Vibrant provides a unique mechanism of action likely to restore the colon's natural rhythm.

When swallowed, the innovative Vibrant capsule becomes activated and delivers micro-vibrations to stimulate your colon. The colon contracts reflexively, synchronizing with the body's biological rhythm to expel its contents.<sup>2,3</sup>

## Monitor Progress

During treatment, you and your healthcare provider can monitor bowel regularity through the **Vibrant Companion smartphone application**, designed to provide support and a better treatment experience. The app also makes it easy to remember when to take your capsules.<sup>2,3</sup>

## FDA-Cleared

The FDA-cleared Vibrant Treatment System Starter Kit includes:

- Activation Pod
- 20 Vibrant Capsules (1-month supply)
- AC/DC USB Adapter
- USB Cable

Never forget to take the capsule with **automatic app reminders**

Track your progress with an e-diary

Assist your physician in making data-driven decisions based on your sharing treatment progress reports

Get interesting content and relevant health tips

## 3 Easy Steps

**1. ACTIVATE** the capsule by placing it in the included pod. (Indicator will light green when capsule is ready.)

**2. SWALLOW** the capsule with about 8 ounces of water.

**3. MONITOR** relief on the Vibrant Companion app.

## Ask Your Healthcare Practitioner

Vibrant is available through prescription **only**. It is conveniently delivered to your home via Carepoint™, our specialty pharmacy partner. As a recent innovation, your healthcare provider still may be unfamiliar with Vibrant.

Visit [vibrantgastro.com/get-vibrant](https://vibrantgastro.com/get-vibrant) for a form to complete and share with your provider.

## A Drug-Free Approach

A different kind of constipation relief, designed to make a difference. The Vibrant System is drug-free, provides for more frequent and predictable complete, spontaneous bowel movements, and is easy to use.

The capsules are intended to be orally ingested up to 5 times per week, as directed by a physician. The capsule should be taken shortly before going to sleep on 5 out of 7 days of the week according to the following schedule: 3 days on, 1 day off, 2 days on, 1 day off.

Please see the Instructions For Use (IFU) for full product and safety information.
